

# Downtown Hortonville

## New draft zoning regulations

### Public informational meeting

Join us to find out more about the Village's vision for the downtown and how the new proposed regulations will help us to achieve the vision!

\* The Village of Hortonville has been working with citizen volunteers to draft a zoning code specific to the Downtown that:

- Promotes orderly development and redevelopment of the downtown;
- Recognizes the downtown as a unique and historical space;
- Allows for mixed land uses that create thriving economic development and community gatherings;
- Recognizes walkability as an important feature.
