## CHRISTMAS TREE COLLECTION

Weather permitting, Christmas trees  
will be collected at curbside on:

**Tuesday - January 6th**  
**Tuesday - January 13th**

Residents should **place their trees on the curb by 8:00 a.m.** on these dates so the trees do not get buried in the snow banks during plowing activities. Also, if these dates do not work out for residents remember the Village does have a drop off area at the compost site near the Wastewater Treatment Plant, 521 W. Cedar Street.

### 3rd Annual "Learn What You Can, But Teach What You Know" **Kid's Fishing Day !!**

Saturday, January 17, 2015  
at Alonzo Park on  
Black Otter Lake, Hortonville  
11:00 a.m. to 3:00 p.m.

All families welcome! Bring the kids out for a day of ice fishing, learning, PRIZES and FUN!! We will have industry professionals giving on-ice tutoring to youngsters and parents alike to help you learn how to catch fish like a pro!

Please register at Alonzo Park to receive an attendance raffle ticket. For every fish caught the participant receives another ticket and every ticket will be drawn for a prize! Every child leaves with something! Transportation will be available from Alonzo Park to the event area.

Presented by: The Hard Water Maniacs and  
the Village of Hortonville

### ICE BUILDUP ON SIDEWALKS

Property owners are responsible for the shoveling and deicing of sidewalks bordering their properties within 24 hours of a completed snowfall. If ice cannot be removed, it should be sprinkled with a material that will reduce the risk of slipping and falling. Please note that citations will be issued after 24 hours.

Also, Village ordinance prohibits the plowing or dumping of snow on any public street, alley, public property, or upon the property of another, without the express permission of the property owner.

### FIRE HYDRANT ACCESS

Reminder to residents who have a fire hydrant in front of their property. Landscaping or signs shall not be placed within a 3 foot perimeter so as not to impede fire protection personnel. Also, the Village would appreciate resident's efforts in keeping the hydrants cleared of snow during the winter months.

### FROZEN PIPES

If you will be gone from your home for an extended period, you need to contact the Village office regarding trickling your water to avoid service interruption due to a frozen service lateral. When you are away from your home the water is not moving through the lateral thereby becoming more susceptible to freezing. Follow these easy steps:

- Call the Village office at 779-6011 (Lisa).
- We will determine if you need to trickle (leave a faucet on with the stream being the size of a pencil).
- Read your water meter.
- When you come back from vacation, read your meter and call Lisa at the Village office.
- You will receive a credit for the water and sewer that was trickled.
