## OverDrive Books

Wisconsin's Digital Library is a constantly growing collection of EPUB, PDF, and Kindle compatible eBooks available for downloading through OverDrive. These titles can be checked out for 7 or 14 or 21 days depending on your preference. Books can be returned early and now you can renew a title as long as no one is waiting for it. On your bookshelf, under the Download and Read buttons, it shows when your title is due. With 3 days left, the Renew function (with a circled arrow) appears. If the arrow is green, you are able to renew the item as soon as your checkout expires. If it is grayed out, you can get back on the holds list.

OverDrive ebooks are compatible with most computers, tablets, and mobile devices. Visit the OverDrive Device Resource Center in infousop for the most up to date listing of supported devices.

## Coupon Exchange

Don't forget about our coupon exchange. If you have extra coupons or need more of a specific coupon, exchange the coupons you don't want for the coupons you need in our Coupon Exchange!

Overseas military bases will accept expired grocery coupons up to six months from their expiration date as well as non-expired coupons. So even if you have expired coupons you can share them with service men and women. Please bring coupons that are no more than one month expired as it will take a while for them to reach the destination.
