

## **SECOND WATER METER**

### **TO REGISTER WATER USED OUTSIDE**

The benefit of having a separate water meter to register the water used outside is that you are only charged for the water used...not the water and sewer. You are not charged for the sewer because the water is used outside and does not need to be treated at the Wastewater Treatment facility.

There are initial costs to you and other things you should know before installing a second meter. Please contact the Village Administration office at 779-6011 to see if you would benefit from having a second meter installed.

## **POOL FILLING CREDIT**

Upon request by water and sewer utility customers, a seasonal sewer credit based on the number of gallons above two thousand (2,000) gallons will be issued for a residential customer swimming pool. The customer must notify the Village of Hortonville Administration Office with the size and dimensions of the pool or a before and after meter reading to receive the seasonal credit.

## **CUTTING NOTICES**

It is the responsibility of the property owner to keep the grass cut the entire grass cutting season.

The Village mails one certified letter advising you that your grass is too high. After the initial certified letter has been mailed from the Administration Office for a specific parcel, failure to keep the grass cut shall automatically result in an initial fine of \$200 for each lot with additional fines of \$100 for each additional week if the violation is not corrected.

## **GRASS CLIPPINGS**

When you are mowing or mulching grass, or blowing or raking up leaves, please keep them out of the street. Grass clippings and leaves flow down the gutter during a rain and eventually plug catch basins. You will receive a fine if you are found to have blown grass or leaves into the street.

Remember that according to Village Ordinance 9.04 all burning (other than campfires) shall be conducted only between the hours of 7 a.m. and 7 p.m. Monday through Sunday. Controlled burning of dry leaves and other non-offensive dry yard debris, and small campfires should be located at least 30 feet from any neighboring structure. Burning brush piles or controlled burning of grass or similar vegetation for environmental management purposes requires written approval from the Fire Chief.

### **C E M E T E R Y   I N F O R M A T I O N**

All Christmas, fall and winter arrangements **must be removed no later than March 15<sup>th</sup> of each year** for the spring cleaning of the cemetery. Materials not claimed by that date will be discarded by the Village. Spring and summer arrangements may be placed **after April 15<sup>th</sup>** of each year. One exception is an individual who has an anniversary of the death of their loved one – they may place a floral arrangement, decoration, etc. in their memory next to the headstone or in the trim and stone enclosure.

Anyone interested in getting a complete copy of the Rules, Regulations and Policies for the Union Cemetery should come to the Village's Administration Office and pick up a copy. It is also recommended that you check the Village's website, [www.hortonvillewi.org](http://www.hortonvillewi.org), to read these Rules, Regulations and Policies.

### **G A R A G E   S A L E S**

Garage sales, yard sales and similar merchandise sales may be held no more than twice per year at any residence and for a total of not more than 6 days in that year. The sales shall be conducted between 7:30 AM and 9:00 PM and last no longer than 4 consecutive days. (Village Ordinance 9.21)

### **B U I L D I N G   P E R M I T S**

Doing some remodeling this spring? Most construction projects require a building permit, and some that don't require a permit may require approval prior to starting the project. Once you obtain the proper permit, please remember to contact Diggers Hotline 1-800-242-8511 if any excavating will be done.

### **P E T S   I N   T H E   V I L L A G E**

Residents are reminded that there are several current ordinances that address the issue of pet owners keeping their animals restrained. The goal is to prevent problems such as an unrestrained, running at large pet becoming a public nuisance to other Village residents.

Pets running loose can be impounded in an animal shelter and their owner will be responsible for payment of an appropriate fee that is imposed at the time the animal is reclaimed. It is important for all pet owners in the Village to be mindful of others and to keep their pets under restraint.
