SUMMER RECREATION 2019

A variety of activities are offered throughout the summer by the Hortonville Recreation Department. Games, crafts, field trips, and special events are just some of the things the program has to offer. Adults and children are encouraged to take advantage of these unique opportunities. Please look into some of these programs and decide for yourself which ones are right for you.

REGISTRATION

Registration will be on Thursday, June 13th from 9:00 am - 3:00 pm at the new municipal building on 531 North Nash Street. Fees for this year will be \$150.00 for residents of Hortonville. (A resident is defined as someone who lives inside the village limits, not a person who lives in the school district.) For non-residents, the fee will be \$225.00 per child. Registration will consist of filling out the registration card (one is included in this booklet) and paying the registration fee. Please remember to include an emergency phone number on your child's registration card in case of injury, illness, or inclement weather. Children must be at least 6 years of age to participate in the program. We ask that the younger kids be able to attend to their own basic needs. Not all 6 year-olds are ready for the program. We will have extra supervision this year and ask that kids communicate if they are leaving the park for any reason. Registrations will not be accepted before the registration date (Thursday the 13th of June). If you have any problems, please call Mike Sommers at 920-843-0940. Recreation t-shirts will be available at registration. We will also provide flyer (permission slips) for the 9 different field trips we will be taking during the summer.

- > We are capping the number of kids this year at 150. Safety is the number one priority! The ratio of kids to supervisors can't be more than 15:1. Thursday's registration is set up as first come/first served. The first 75 residents and the first 75 non-residents will guarantee spots in the 2019 Summer Program. We will make a waiting list if anyone drops out.

HOURS AND LOCATION

This year's program will again take place at Commercial Club Park (one of the most beautiful parks in the state)! Hours will be 9:00 - 11:30 in the morning, and 12:30 - 3:00 in the afternoon. There will be supervision over the lunch hour in the park. Please feel free to pack lunches for the kids and know that they will be cared for during the lunch hour. There is no regular program on Fridays (see Friday section). We would like to provide those who do not wish to attend certain field trips with activities back at the park. One supervisor will remain for those who would like to attend the regular recreation program. High school students are encouraged to volunteer community service for this program. If you know someone who is interested, please have them give me a call (Mike Sommers 843-0940).

- If you need accommodations regarding the American with Disabilities Act, please contact us to make the necessary arrangements.

RAIN POLICY

The park will be closed if it is raining at 9:00 am and will reopen at 12:30 pm if weather permits. On rain days, we try to acquire a gym from Hortonville Elementary, Middle, or High Schools. Lately, this is very difficult due to the fact that many of those facilities are being used for camps, athletics, or the floors are being redone over the summer months. We will announce cancellations on 1150 am/WHBY radio and post it on the Village of Hortonville website (www.hortonvillewi.org). If you aren't sure about the status of REC----please don't hesitate to call me at 920-843-0940. The announcements will be made by 7:00 am.

GOLF CLINIC

Travis Bauer, manager of Grandview Gold Club, will be handling the junior golf clinic for 2019. The cost will be \$40 or included to anyone with a GVGC season kids pass. The clinic will start June 25th and runs through July 30th, and will be from 9:00 am to 11:00 am each Tuesday morning. Please call 920-779-6421 for more details.

"NCAA" BASKETBALL LEAGUE

Teams will be picked June 25th. All kids in the summer program are eligible for this basketball league. If your child can't make the draft, we will place them on a team. Both boys and girls play in this league. We also have basketball contests after the games. ("TKO" like HORSE but with a partner, "HOT SHOTS," contestants get 60 seconds to accumulate as many points by making shots from different spots on the court.)

"FANTASTIC FRIDAYS!"

For 2019 we wanted to offer participants some new activities where the kids get to explore some things. Here is what we have on the schedule for the Fridays in June and July...

Friday, June 28th > Bowling > 9:00 - 10:30 > Hortonville Lanes

Friday, July 5th > No Program > 4th of July Vacation

Friday, July 12th > Water War > 10:00 - 12:00 > Commercial Club Park
(Bring Squirt Guns!)

Friday, July 19th > Archery Day! > 9:00 - 11:00 > Commercial Club Park

Friday, July 26th > Fishing Derby > 9:00 - 11:30 > Meet at Commercial Club
Park/Black Otter Lake

Friday, August 2nd > Penny Carnival/Awards/Scavenger Hunt > 9:00 - 1:00 >
Commercial Club Park

HORTONVILLE REC T-SHIRTS

Don't Forget!!! Hortonville Rec. T-Shirts are available at registration on June 13th. Throughout the Summer, we will have shirts on hand. They are recommended for field trips (they make it easier for counselors/supervisors to spot our kids in big crowds.)

FIELD TRIPS

Participants must be registered for the Summer Recreation Program to attend field trips because of liability. It is very unwise for us to allow cousins, friends, etc... to go along on field trips if they are not signed up for our summer program. We will have regular Rec. programs back at the Commercial Club Park when we go on field trips. All field trips require advanced planning. I need to know the number of participants at least 2 days before the trip so I can make arrangements for busses, and tickets. If we don't get enough to sign up, we need to cancel the trip or we lose a lot of money by not covering the cost of the bus. Our program has to be cost-effective to keep running. The rule is if less than 30 sign up for a field trip, we will not go. I can't guarantee a spot on the field trip this coming summer if slips come in after the deadline. I think it would be smart to get slips and money in 3 days before each field trip this coming summer. Please do your best to comply, it makes it a lot easier for me to plan a trip!!! Parents are always welcome to come along on field trips. Minimum ages for the Great America, Brewers game, and Noah's Ark/Pirates Cove field trips is 10 years old. Kids ages 6-9 are allowed on these trips if accompanied by a parent/guardian. Please no older brothers/sisters unless they are at least 18 years old.

NEW FOR 2019 > LIBRARY SHUTTLE SERVICE

Starting this summer we will be offering a service where we escort children who sign up for programs after 3:00 pm at the Hortonville Public Library. This service would be from Monday - Thursday during the Summer Recreation Program dates (June 24th — August 2nd). Kids who are taking part in these after Recreation programs at the library would be walked from the Commercial Club Park to the library at 3:00 and then could be picked up from the library whenever the program at the Hortonville Library concludes.

BEHAVIOR CLAUSE

If we have a discipline problem which calls for the removal of a child from the summer program, we felt it was necessary to have a procedure in place.

If the incident occurs before the half-way point, we will refund 50% of the registration fees. If the incident occurs after the half-way point in the program, there will be no refund. Please remember that this program is a privilege not a right. The Commercial Club is very kind to allow us to use an awesome park, participants need to follow the rules so all those involved can have a safe and fun environment. Hopefully, this will be a great experience for all.

The above will apply for any parent or legal guardian who voluntarily withdraws their child.

INSURANCE

The Village of Hortonville does not carry individual accident insurance for participants. By registering for recreation programs, participants, their parents and legal guardians understand that injuries may occur while participating in, traveling to, or from a recreation activity. Parents, guardians, and participants further understand that if they want insurance protection needed from possible injuries, they are responsible for acquiring such insurance.

- * Please remember that the program runs from 9:00 am to 3:00 pm from Monday through Thursday. The Summer Rec. Program is not a babysitting service to watch children either before 9:00 am or after 3:00 pm. Please be courteous and be on time when picking up kids and please do not assume your children will be supervised before 9:00 am (some parents dropped children as early as 8:00 am in the past, and we are not responsible for providing supervision in those cases).

Thanks for your cooperation!

Mike Sommers
Hortonville Rec. Department Director

All Dates are tentative.

Please Get Field Trip Money in Early.

We do have regular Recreation back at Commercial Club Park on Field Trip days.
